

A simple application
could be all that stands
between you and the
future you aspire to.

A Better Way To Work for a Better Way of Life

Every year thousands of American professionals take the bold decision and start their own business. They want the benefits of being their own boss and the ability to decide their own fate.

For the right professionals there is an opportunity that offers independence at the same time as giving support, mentorship and training. In short they receive the best of both worlds; ownership backed-up by a team of seasoned professionals with the expertise to enable success.

The organization offering this unique opportunity is Priority Management - a world leading training company, with more than 2 million graduates and 75 operations worldwide.

Over the last 30 years Priority's training has been helping people become more effective, reduce stress and gain control. Allowing every individual and company to make the most of the one asset we all value – **Time**.

For the proven professional with the right experience and skills this could be the first step to a Better Way of Life.

Are you ready to make
a change and create
A Better Way to Work
and Live ?

A Better Opportunity

Earnings & Growth

The corporate training market is estimated to be worth more than \$54 billion dollars each year in the US, so your potential for growth is defined only by your commitment.

Work Life Balance

Being your own boss means you can decide your own schedule, giving you the option to divide your time between work and family life. Enjoy the benefits of working from your home office or choose to set-up in the heart of your local business district.

Being your own boss has benefits beyond the financial, giving you the ability to set your own pace and style, making you the champion of your own future.

Established

With 30 years of expertise in delivering best practise business training, you can build an independent business confident in the knowledge you have all the benefits of an established team backing you.

Unique

Priority has established a world-wide reputation as a results oriented training provider. For the right professional this is a unique opportunity to benefit from their years of experience. By taking care of delivery, Priority has made it possible for you to concentrate on building a successful independent business.

take care of you and
YOUR new business like
it's their own.

Better Training & Support

Coaching & Group Calls

We all need encouragement from time to time, and Priority is there for you every step of the way. From the initial intensive training through to regular coaching and group conference calls to share insights and expertise that would otherwise take years to acquire.

**As a Priority Regional Distributor you benefit from practical application and proven success.
Delivery of the product is taken care of, leaving you to focus on what you do best.**

Global Marketing Support

As a global training provider Priority spends thousands of dollars every year to produce marketing materials that support its 75 worldwide operations. Your new business will share the awareness this investment generates and position you as part of our global business. Including our monthly newsletter - the LearningLink, that reaches hundreds of thousands of readers every month.

that change people's lives.

Simply Better Product

Customers That Want More

Priority training products are highly-valued, both the companies that invest and the individuals that take part are eager to explore ongoing training once they experience the benefits gained.

Proven Programs

Our world-class training programs enable individuals, companies and whole organizations to control workloads, stay focused on priorities and track multiple lines of communication. Over the last 30 years we have developed and delivered a suite of programs in workload management, project management, sales, negotiation and customer service.

[Complete the inquiry form here](#) and tell us about your achievements. Only a handful of professionals are needed so take control and act now.

Proven Results

Working Sm@rt with Microsoft Outlook, our premier training program, has been successfully implemented by many of the world's largest companies including long-term clients such as Cisco, Microsoft, Pepsi, Amazon and Verizon Wireless. In a recent global study our graduates reported an average saving of 51 minutes a day - a very real ROI in workforce productivity.
