Testimonials:

"I found the program to be a rewarding experience that has enhanced understanding of effective communication techniques. It has opened my eyes to a new set of skills that I've already found useful in both my work and home life and look forward to the developing them further. I would recommend the Priority course to others who develop their abilities in these areas."

Detailed Synopsis:

Priority Influencing

The Priority Influencing Workshop is an essential skills program designed to help you improve and develop your knowledge and skills as an influencer. It will help you improve your productivity and effectiveness by enhancing your influencing skills and show you how to maintain a keen awareness of others' interests, moods and concerns. You will gain proficiency in any interdependent situation.

Unit 1 The Invisible Assembly Line:

Introduces participants to the processes of work in the New Economy. Attendees work to discover the various ways that the influencing process impacts their effectiveness.

Unit 2 The Influencing Questionnaire:

Participants complete a two-part questionnaire which probes both their beliefs and current skill level as influencers.

Unit 3 Influencing in the New Economy:

Emphasizes the importance of influencing in flatter, more responsive organizations (that is their big deliverable). Participants learn the reasons why these skills are becoming increasingly important and can explain the definition of influencing.

Unit 4 Essential Influencing Skills:

Examines the five key skill sets of influencing. Attendees develop Influence Maps showing the relationships and opportunities that exist for impacting performance with colleagues and customers alike.

Unit 5 How To get On the Same Wavelength:

Shows by practice and observation the importance of wavelength skills in the influencing process. Participants learn how to recognize and look at body language and the importance of questioning and understanding in influencing.

Unit 6 Handling Conflict and Coming to Agreement:

Through workshop exercises, attendees fine tune conflict handling and agreement skills and practice them in influencing sessions using real workplace issues.

Unit 7 Learning:

Focuses attention on the key role of learning and how to influence learning in organizations. Participants are taught the Learning Cycle and use it to dissect a successful influencing experience.

Unit 8 Getting Better - Your Influencing Profile:

Participants discover their own influencing beliefs and skills inventory. An interpretation booklet allows each attendee to work on their own specific areas and customize the learning process.

Unit 9 Creating Influencing Action Plans:

Provides a six-step process and the tools for implementing and improving influencing skills in the organization.
